mls			

DISCLAIMER: The cell products collected from the donor are intended solely for the purpose of diagnostic testing on behalf of the above mentioned patient. No other use is permissible. Excess blood volume is allowed for quality control testing only but not for research purposes. Any portion of the cells not used for the intended testing must be disposed of properly. By accepting these cells, the transplant physician also accepts these terms and conditions. Requests for deviations from these terms must be submitted in writing to the donor registry for approval.

Courier Service: VT samples will automatically be shipped using a courier service chosen by the donor centre. The fees for this VT sample are based on the use of this courier service. If you prefer that the samples be shipped using a specific courier service, please list that courier service below. Additional fees may be applied.
